

Dear Stephens Grove Homeowner,

At the SG board meeting on April 24th, 2023, the SG Homeowners Association announced a few changes to the Pool policies, because the gate to our pool and soon to be tennis courts have been converted to **FOB** access only. The SG Pool will become a Swim At Your Own Risk pool when lifeguards are not present and during open pool hours only. **We will have lifeguards for the 2024 season.** The reasons for the change are the future availability of reliable lifeguards, to possibly improve the length of the swimming season and to increase the daily hours of operation.

All Owners, and their guests and tenants will be responsible for adhering to the following rules.

Owners must not be more than 90 days past due on all assessment and fees.

Replacement or Additional FOBs can be obtained from Hawthorne Management during their normal business hours at a cost of \$20 per FOB.

FOBs should be kept in a secure location and not given to or used by anyone other than the assigned owner or their tenant on record. Any owners or residents that are in violation of this provision may lose their rights to access the pool area.

A Waiver Form and Pool Rules document are enclosed and need to be signed and returned before FOBs are activated.

EACH ADULT 18 OR OVER NEEDS TO SIGN THE FORMS

Owners who rent their property need to ensure that their renters sign and return the forms to Hawthorne.

Mail the signed forms to the address on the last page of each form which is:
